Subject: Regional Data Packages for Dimock

Regions,

We would like to request your full data package (raw data) for the Dimock site. (Region 9 has already sent us their data.)

We are going to need scanned copies of each region's data packages associated with the Dimock Project. Please let me know if you can do this or if not, could you please send us hardcopy packages. The data should consist of the entire file, including QC.

Please send the PDF files to me, Robin Costas and Cynthia Caporale.

Thanks
